ALL-COUNTY LETTER NO. 76-26

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: LOCAL GOVERNMENT LIAISON APPOINTMENTS

REFERENCE:

I am pleased to announce the appointments of Robert A. Barton to the position of Local Government Liaison and Bobby L. Winlock as Assistant Local Government Liaison, effective February 2, 1976. I am looking forward to a significant strengthening of county-state communications and understanding through the greater availability of these key staff to the county welfare directors.

Both appointees have had extensive experience in county welfare administration. Mr. Barton began in 1963 with Los Angeles County Department of Public Social Services where he worked in various capacities until 1971 when he moved to the Humboldt County Welfare Department as a division chief. He has served the last three years as Chief of the AFDC Program Operations Bureau. Mr. Winlock worked for the Los Angeles County Department of Public Social Services from 1957 to 1964. He has subsequently served as Manager of the East Los Angeles Service Center, Executive Vice President of the National Economic Management Association and in various other community service oriented positions. Based in the Los Angeles area, Mr. Winlock will focus his attention on the southern counties and provide an accessible personal contact for them.

Hopefully, it will be possible for the liaison staff to personally meet with each county welfare director in the near future. However, liaison staff may be contacted at the following:
